		There are 137 flyable kits.						
		Data for above list is from the 1964, 1965, 1967, 1968, 1969,						
		1971, 1972, 1973, 1974-75, 1979-1983 pamphlet size catalogs,						
		and from the 751, 761, 762R, 771R, 772R, 781R and 782R newsprint catalogs.						
		Data also obtained from "Flying Rocket Kits 1958-1988" by Richard M. Jungclas.						
		Missing data from 1966, 1970 pamphlet catalogs and from the						
		1974 Temporary and 763R newsprint catalogs.						
		Note: Many kits had 2100 series catalog numbers in the 751 Newspaper catalog only.						
		Note: Did not Count K-9A Two Stage T-Bird as a separate kit.
